

Bruce Andrews

Monkeytown

[edited live in at Monkeytown, in performance with Nisi Jacobs, Michael Schumacher, Alex
Waterman, 2008]

Otherwise

kitty chromosomes up to normal

sleepyhead, semantic crackhead

poppish donor-humping

slick vs. hick — verbatim verboten

WE GONE

toreadoration

onto-uppity cattleprod delecti

bottle rockets of freedom implant classics

it's all over but the repetition

trauma git-go, cornaholic ovum toys

blindside vanillaquy to downgrade the future

& hook on nail!

plushover bad oratorio

quickstep, smear your ex

fucks poetry for money

is he a house president or a field president?

the verb, *to kleenex*

slapless categorical touching volleys of buckety-buck

uppity downer breast licks anus up onstage & without an oar

the aftermath of the yes

gangrene or happy family stealing from thieves

words cut themselves up

body sushi humans on a leash
intervoodoo
hop boy intermonad
well sveltet coercion tightens the frickin' truth
object per tickle
typo slave palpate ultrasound
pork up the mental... VIP democracy
pinkalot pinto patois — *twinkle twinkle little star*
we don't even have helmets
lib & let lib, success chumming up toward heaven
content = interchangeable casualties
oh, *that* was fun
the denials will self-destruct in five seconds
hello, narc: jealousy dumbs you down
a space hugger so very fucked, kick-up bozo
you are dating a rumor
OOMPH
or may become pregnant
saying so is symptomatic
let it get better
make it go away
some gigantic turned-on ape's short-term gag reflex
shadowboxable sweetheart regalia
a neuro-gucci, a ratio with lips

because now

grab under chromo iffy libido with aftereffects

turnabout as starfucker cops remorse

retro mojo giddier *than*

like I was saying

fordist hello dollarize *you hit me*

cruciform drumbeat, I'm just saying, coalition for the homeless

Shut the phone up!

ecstatic lickety torso sheeping I want to peel

When it comes to Iraq: *GET OUT! GET OUT!*

oreo bedlam: lips push buttons, interval jackpot

can't remember

optypical & robo-tight, spoof gobble immaculate poverty

bomb worse

tricks of the pinch

triage cocoa postgenital, that misnomer

hello underfunded subserbian

slaphappy storybook nerves: did we squeeze?

blasphemy on the installment plan

self-wobble, the verb — the guano of moral value

sweet honey in the safe — all blame, no shit

so un-me without un-you

über-family stress hoax

through every fault of our own

ironic extra ass birthdayed up cattleprod flotillas
grab some blanks — want funny money?
props or toys burn the lights out of the body
mini-stalk, I'm paused
logo butter to stud out your gossip goonslang
salt water babies, conkhead samaritans
lincoln lowball lies per nightspot
badmouth the testimonializing nine-to-five madcow
tricked up john doe saliva for your community
I can't keep up
focus, you gotta?
semi-slant surface-to-air micro-midgets, disciplinary fangs
poke up rehearsal universe: dippy is okay
serious thong so aggressive retirement can rip off your hormones
bolshevik code as nude as
talk double up wet white christian unamerican ultra-goo
disown your own dummy
do the new pluperfect awful inside of the inside
Never meet with anyone
don't let yourself have a thought
itsy spider deep dog on dog
goofy thou two eyes, max — wax fang pixelust
'Coercive Democracy'
mackin' on prosthetic diva

I'll take that as a yes

They glide, they slide, they slither & skitter

charm attacks brain plays out anti-bonding howitzer froth

didn't I get too wet to dream?

you get the idea

octogash

who did didn't

easy isn't open digits of idiot

bounce off puzzleboardhead

you say *elite*, I say *delete*

a contagious tone of brink it voice

whose first punch when humility gets jazzed

chiffony — distaste for the novelistic

'white' is our 'nazi'

candy alleviators sparkle lovesick wick on control

Ridiculous!

glam per moxie *royale*

a world just ended

Plan B: Here's 'Vomitsel' on 'Amplifier Worship'

cue up the pillow, perped down to gash the similar

pencils down

sense of smell keeps you down

dyslexic vocalizing — use it or lose it

blot you out to punk the pressure

law in the raw placebo à go go

our ad here

click here to talk dirty to it

who's huffable?

unjeopardy prose to sleep tarts to disenfranchise the event

thank you for condoning yourself

a squirrel that eats out your insides, loads you own bullets

The deleted shall inherit the earth — can we ask daddy?

Iraq-no-phobia

go buy a thicker skin

defang the question by which the poof is on

tits too big, baptizzical *jefe* hoax

alley cat, make the grail history

let's mock, let's demonize

fisting days, fisting nights

use your head as an antenna

off-brain drilling — *hot&undone*

anti-white, anti-patriotic

optimumological: scare up a ride bareback over

don't get assassinated on my birthday

need a butch fix?

we can't let little countries screw around with big companies

who sedates your homework?

sleazy pixie airbrush blood of grace

I may not get there with you [MLK]
sugar lab debrief glitteractica
cayenne eye white lies chemistry: name that bleep
chastise without dolts only
euphemism for morals on consignment
size = obedience: breakitdown
pithily red-handed mermaid neckbone
repressed wishy-washy fracas hula glitter bling
what fits where — your pillow or mine?
the lessthansmart bombs: listen to your, don't listen to your
widecast spook & awe
totally anything punch up typo
brain topsoil to disbelieve this little light of mine
no bulldozing coerced or standardized demand-me-nots
Porn triggers memory. Memory triggers porn.
human tika, survive the difference
this is the pay me later
the First Lady, that condom
hoy christ cool in your code default
war more years
decisional foreplay, subhominid — the very id
The compassionate are just more intolerant
Iraq is *now* a threat to America
'we are the ones we are waiting for'

quick quip telstar, slambang self-excusing

kinda like was kinda

HARSH

VICTIM

tickle fear voodoo up on one little life

unearthier eyeballing mocha in dreamland, the mocking of words whooped only now

pretty camelot — get me a people

pampering about biggie biggie gone to price heaven

blame it on froth

retoyng trick fuse oops-turvy pencil float

the short goodbye

bright ink stress opted kissing your facts

soon to be underrehearsed

teething one size fucks all on the edge

goodies on the intercept, commando-strength daddy go bye-bye

blonde jesus as devil — *a b i d e*

mouth inside itself, destroy this memory

be my membrane

The specifics I want you to *eat raw*

'human nature' — 1. oxymoron 2. doesn't exist

vastly cute absentee father — so duped we hurt

must love trash maxed-out *IF NOT MORE SHE SAID*

Jesus loves Man/Pig love

Bullying Expert give me something to negotiate

luck *as a pencil*, absorbent no-no
trouble starts throbbing our stupid alternatives
map is squeeze, a man is commercial
imagine telling the truth
cauterizable myst ups — do we wanna help?
impeach the mind, spurt that download
tingling as theory stoli-ed a few ribs
shucks vocative secondhand piñata
death — enhanced dreaming
noise is not strength
commotion pandemic boyfriend filtration
puree your force, thank your liberation
anal glaucoma: as in 'I can't see my ass coming into work today'
howzabout über-blur
creamy horror worker per duty — what planet needs you?
overhaptic pigs self-boil
ape eats vulva sherpa
no go growth, inclusive joyride
products that don't touch
spit up esperanto
your ticket to voice recognition
disneyfied — everywhere war
prefab, splash of world
whoops backward passion bubbles

meth twinkie

penis sings, 'water! water!'
